

Bravo A4 Colour Printer Kiosk

The Bravo, a new range of Information kiosks, Internet Kiosks and Ticketing kiosks all designed with versatility in mind and now available with a fully integrated A4 Colour Laser Printer.

The Bravo Information Kiosk, Internet kiosk and Ticketing Kiosk will allow customers to interact with a whole host of information resources through its 18.5" widescreen touch screen. Add on a vandal resistant IP65 sealed keyboard & tracker ball and include the A4 colour laser printer option and you have a fully self-contained multimedia device capable of printing full colour onto A4 standard paper.

Benefits:

- Improve Accessibility
- Secure web browsing
- Minimise queue lengths
- Customisable branding options
- Offer out of hour's access to services
- Vandal & hacker resistant Internet platform

Applications:

- Ticketing kiosks
- E-payment kiosks
- Self check in/out kiosks
