

InfoKiosk

The InfoKiosk is a brand new sleek and slim cost effective design for Acante. With a 23" projective capacitive multi touch screen it really is the ideal kiosk for providing information.

With a small foot print, the InfoKiosk is an ideal space solution.

The InfoKiosk is also designed to be wheelchair friendly.

Designed and manufactured in-house from the UK.

Benefits:

- Secure web browsing Internet platforms
- Improved accessibility
- Out of hours access to service
